

REDLANDS ADVENTIST ACADEMY

Technology Acceptable Use Policy

Students using the school's technology services and personal devices on campus will adhere to Christian principles and will:

- Be responsible and courteous in all communications
- Be responsible with all computer hardware and software
- Refrain from cyberbullying—using technology to harass, threaten, embarrass or target another person
- Keep passwords private
- Respect the confidentiality of folders, work and files of others
- Learn about and observe copyright laws

Any activity not in accordance with these general rules may result in a loss of use and/or access as well as other disciplinary or legal action.

Student Agreement

As a user of the school's technology services and personal devices on campus, I agree to comply with the above stated rules by using the school's computer resources in a responsible fashion while honoring all relevant laws and restrictions.

Parent Agreement

As the parent or legal guardian of the student signing above, I grant permission for my child to use the school's technology services and personal devices on campus. I understand that individuals and families may be held liable for any inappropriate behavior. I understand that some materials on the Internet may be objectionable but I accept the responsibility to work with the school in the guidance of Internet use and in setting and conveying standards for my child to follow when using technology.
