

5TH GRADE SUPPLY LIST 2016-17

Student Name: _____ (please bring on 1st day of school ☺)

- ✓ 5 mechanical pencils
- ✓ 5 lead refills
- ✓ 3 erasers
- ✓ 3 red ballpoint pens
- ✓ colored pencils
- ✓ colored markers
- ✓ 3 different colored highlighters
- ✓ 1-inch thick binder with plastic viewfinder cover
- ✓ 1 box of tissue
- ✓ 1 plain, white cotton t-shirt (for tie-dye field trip shirt)
- ✓ 1 framed 4" x 6" photo of student to stand on shelf
- ✓ mobile device (e.g. laptop, tablet, or phone)

Some affordable options include the \$50 Amazon Fire tablet or reusing an old cell phone w/o service but with Wi-Fi capability.

RAA 5th graders will bring a Wi-Fi compatible device from home into the classroom. Students will use online access for keyboarding, submitting English essays via Google Docs, making slideshows on Google Slides, taking Accelerated Reader reading/vocabulary quizzes, STAR reading comprehension tests, Math Facts in a Flash computation practice, Camp Google, MobyMax, BrainPop educational videos/games, Khan Academy, U.S. State research reports, Science experiments/virtual dissection, Sheppard Software U.S. states/capitals review, Godtube.com, photo/video editing, and more! Since students will own their own mobile devices, they will take their devices with them to higher grades to utilize them for more learning opportunities in the future. Hopefully, that makes your investment in a new or used device more worthwhile in the long run.
