

Dear Parents of 1st Graders at RAA,

It is hard to believe that the school year is almost over and that your child will be a 2nd grader soon. Time really flies!

In preparation for the 2nd grade, we would encourage all 1st graders to spend part of the summer reviewing what he or she has learned this year. A good book to aid in this review is the Summer Bridge Activities- Bridging Grades 1 to 2. This book is designed to practice basic skills in reading, writing, math, science, social studies, and fitness. They recommend doing 2 pages per day for 10 weeks. The answers are in the back of the book and we encourage parents to remove the answer sheets and look over their child's work for accuracy and completion (bonus activities are optional). This workbook is available for between \$10-\$12 online or in stores at Amazon, Lakeshore, and Barnes and Nobel.

We also suggest that your child continues a lifelong habit of reading. Many libraries have summer reading programs that help motivate students to read during the summer. You may want to check out what your local library has to offer.

For students that complete the above workbook and return it to their 2nd grade teacher next year, they will be given a special treat for their effort.

The above is only a suggestion to give your child an advantage in their 2nd grade educational experience, and is not required. If you have any questions, please contact Mrs. Tan at dtan@redlandsacademy.org or Mrs. Carreon at ccarreon@redlandsacademy.org.

Yours in Christian love,

Your 2nd grade teachers
